Join Tabor this May for National Foster Care Awareness Month. May, a usual time for the welcoming of the spring season, graduations and new beginnings, is also a time to celebrate and support Tabor youth who are preparing to “graduate” the child welfare system to independent adult lifestyles.

The youth supported through this event have experienced abuse or neglect and are in need of resources, homes, mentors and life skills training.

Tabor Children's Services is a nonprofit community-based multi-service child welfare organization that provides a comprehensive range of programs for both children who have endured abuse and neglect and young adults who are “aging out” of the child welfare system. Tabor provides services to approximately 1,300 children, youth and families annually throughout Bucks County, Philadelphia and the Lehigh Valley. Programs include in-home familial support services, foster care, adoption, adolescent life skills training and mentoring.
